Application Deadline: Open Until Filled
Salary Range: Depends on Experience & Qualifications

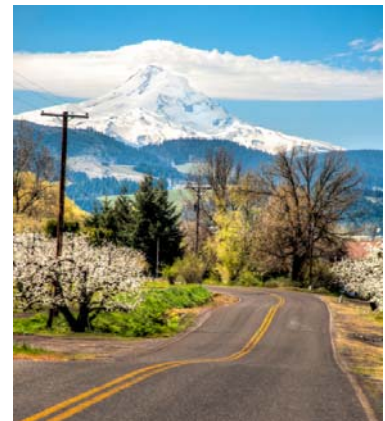

DESCRIPTION:

Clair Company, Inc. provides Building Department Services for the City of Hood River, Oregon. We currently have an opening for a Combination Plans Examiner/Inspector in the City of Hood River, Oregon. The role of this position performs a variety of routine and complex technical work in building and mechanical inspection and plan review work to insure Oregon Building Code and Oregon Mechanical Code and other related codes are met. Candidates must have ability to advise architects, engineers, and contractors in the interpretation of code conformance and/or discussions regarding interpretations of codes. Other responsibilities include project coordination with City staff and all project stakeholders.

THE COMMUNITY:

Hood River is considered by many to be one of the most beautiful cities in Oregon, a paradise to call home. Hood River is located approximately 60 miles east of Portland, Oregon on I-84 in the heart of the Columbia River Gorge. The City enjoys views of Mount Hood to the south and Mount Adams to the north, and is nestled along the beautiful Columbia River. The "Windsurfing Capital of the World" also offers amazing attractions for an endless list of outdoor activities as well as a quaint downtown with many boutiques, galleries, breweries and wineries. Hood River is home to approximately 7,700, and is rich in arts, culture, history and heritage, including proximity to the Barlow Road landmark and Historic Columbia River Gorge Highway.

THE BENEFITS:

The pay range for this position depends on experience and qualifications. Clair provides full benefits, including health insurance coverage, health care and dependant care spending accounts (Section 125), SIMPLE IRA employer match, and holiday and personal leave pay.
